The programme of the Republican Convention of Nov. 25th, 1868, was "constitution did receive a majority of the votes, and that the State ticket, (the Egwith all our hearts we bid them good- ture, who received the same vote as the Constitution, were elected," and a Committee (the Committee of Sixteen) was appointed to petition Congress to enforce this declaration with the bayonet.

This was the feather that broke the camel's back. Mr. Wofford, in behalf of the minority, presented a report earnestly protesting against the proceeding, and warning the unscrupulous majority of the consequences. He denounced it as bad in policy, worse in faith, and utterly untrue in its assumption of facts. The minority sent a Committee to Washington to oppose the scheme of the Extremists, and to protest in the name of the people testimony, and hearing the arguments on ommended its adoption to Congress. Constitution to the people with the privilege of a separate vote on the obnoxious clauses. During all this fierce contest mittee" of the self-same clique, are still the Moderate Republicans were assailed by the Eggleston party here and in Washington with unparalleled ferocity; but they did not relax their efforts until the victory was won and the great deliverance was wrought for our people. Such, in brief, are the causes of the breach and exist. On the one side, the most malignant purpose of proscription (as illustrated by the recent wholesale expul-

sion of men from office not because they could not qualify under the law, but for opinion's sake,) is displayed. The other the great tribunal of THE PEOPLE.

In reply to a proposition of the Southern Journal, that the Press Association make arrangements for paying a visit "to proscription far beyond the requireme

proposition, which to our mind, ought to of its objectionable features, if you per pable man because he does not advocate Crops look well, and cotton blooms are aforesaid, and the "visit" to them would new government, whether it is in that in be like the intrusion of poor relations, strument or not.

The meaning of this suggestion is that the people of Mississippi should take every step necessary to re-establish civil rule, and to restore their relations with the Union, except the last, viz: the ratification of the Fifteenth Amendment, which they are advised not to take. Now, we respectfully ask, why go through the mockery of moving at all, if we do not go the whole figure and accomplish the end you have in view?

Southern Agriculture.

The editor of the St. Louis Rural we seek a partizan advantage. We only World, in publishing the result of his obask fair play. We are not in a condition servations in "the cotton region" during to aspire to a mere partizan triumph in a recent trip down the Mobile and Ohio this election which has reference to State Railroad, makes the subjoined comments on the system of agriculture generally corded by the Secretar pursued in the States named. An excuse for the defective implements used in agriculture is found in the impoverished propensity of man to slothfulness, and a proneness to follow the beaten track, for the imperfect method of preparing the

soil for planting. Says the writer: "Agriculture in Alabama, Mississippi and the war. We saw no field, that we now recould operate this and the four mules would drills-twenty acres of corn per day."

It will be remembered that in his letter Committee of Five through Congress, and the leaders of that Clique generally was made of, Maj. Wofford stated that United States District Attorney Adam had been approached with a bribe to dismiss a certain indictment which had been found by the Grand Jury for embezzle-
